

BHAGWAN MAHAVEER FOUNDATION'S

MAHAVEER AWARDS

A PROFILE

Many individuals and institutions are committed to social justice, to enhance the quality of life of the poor and seek to address and resolve social inequalities at every level of society and economic status especially among the poor and sick. They serve their fellowmen, under very difficult conditions in their self chosen task of community service without any recognition and rewards. There are still areas that continue to be neglected and people are still suffering for want of basic facilities. Therefore, there is the need for more individuals and institutions taking up social service for the growth of the nation. And it is essential for any responsible citizen to recognize such committed individuals and institutions.

With this determination, Sri N.Sugalchand Jain developed a strategy to identify, nurture and encourage the individuals and institutions engaged in social service, not only with a view to focusing public attention on their activities, but also to encourage others to take up community and social services as a worthwhile exercise. This initiative took concrete shape in the form of the setting up of the **Bhagwan Mahaveer Foundation** as a public charitable trust in 1994 that instituted the annual awards, namely the **Mahaveer Awards** to be given away to individuals and institutions for their selfless service to the needy sections of the community that meet the exacting standards of evaluation prescribed by the Foundation.

EIGHTEENTH MAHAVEER AWARDS DAY
CHIEF GUEST OF THE DAY

SRI THAAARCHAND GEHLOT
HON'BLE MINISTER FOR SOCIAL JUSTICE & EMPOWERMENT

**WELCOME ADDRESS BY
SHRI. S. PRASANCHAND JAIN
MANAGING TRUSTEE OF BHAGWAN MAHAVEER FOUNDATION,
AT THE EIGHTEENTH MAHAVEER AWARDS DAY
ON 21st AUGUST 2015**

Distinguished members of the audience,

Jaijnendra

Once again, I am having the pleasant privilege of welcoming you all this evening on the occasion of the distribution of Mahaveer Awards to four devoted service institutions on the 18th Mahaveer Awards Day. It has been our privilege during the last two decades, identifying and nurturing institutions and individuals engaged in serving the community at large, at considerable inconvenience to themselves and even hardships occasionally.

It is our special privilege to have in our midst this evening Sri Thaawarchand Gehlot, Minister for Social Justice & Empowerment to give away the awards.

Let me begin with our personal relationship with Sri Gehlot. Way back in 1992, my father met Sri Gehlot for the first time and from then on our relationship continues uninterrupted over the years. We realized that he was an extremely pious man with a deeply spiritual outlook which got reflected in his personal and political life. Even though he is not a Jain, he accepted the spirit of the philosophy advocated by Bhagwan Mahaveer.

Sri Gehlot has been an experienced politician serving the Nation at large for nearly over five decades in various public

offices. These include the membership of the Madhya Pradesh Legislative Assembly; 3 terms as a distinguished Member of Parliament and a Minister in the Madhya Pradesh Government. He has also taken considerable interest in various social, cultural and literary activities over the years. He is at present serving as the Minister for Social Justice & Empowerment. We hope his participation in having agreed to give away the awards would not only encourage various entities serving the community at large, but also enthuse more and more organizations like ours to identify and recognize the services rendered by various institutions.

Probably, some of you are aware that the Sugal Group, the parent body of the Foundation had brought out a small publication “Enduring Passion” detailing the charitable activities of the Group, last year. We have taken this occasion to update the publication and are having it released later during the function as “**PASSION CONTINUES**”. I hope you will find it interesting.

Even though most of you are aware of the functioning of the Bhagwan Mahaveer Foundation, let me take a few minutes of your time and briefly tell you what the Foundation has been doing all along in the past two decades. The Founder, my father Sri N Sugalchand Jain and a few of his close friends thought it appropriate to identify, nurture and encourage various institutions and individuals who have been serving the public, particularly, the weaker sections of the community such as SC, ST, the aged, women and children who were undergoing considerable difficulties in their life in various sectors. These thoughts crystalized in the setting up of the Bhagwan Mahaveer Foundation in the year 1994 to look for and encourage such institutions and individuals and provide them some encouragement in the form of certain awards. The Foundation set up initially a single award with a cash component of

Rs.5 Lacs, which went as the first award to Veerayatan, a social service institution headed by Jain Sadhvi namely Acharya Sri Chandanaji Maharaj in the year 1995 and the Award was given away by Sri K R Narayanan, the then Vice President. Having gained some experience in this area the Foundation has increased the award to two, subsequently to three and now to four. These awards are meant for deserving NGOs serving the community in the fields of Non-violence & Vegetarianism, Education, Medicine and Community & Social service. The Foundation has so far given away 51 awards to the entities serving in 17 States in India. The awards include a cash component of Rs.10 Lacs each, a citation and a memento.

Let me also narrate briefly the manner in which these awards are finalized. Nominations are invited from eminent members of the Nation such as Ministers, Members of Parliament and Legislature, senior bureaucrats, Vice Chancellors of Universities and the like. Nominations are also invited through advertisements in National and regional newspapers. So far, over the years, we have been receiving 300-400 nominations every year. These are evaluated by the officials of the Foundation and submitted to a short listing committee consisting of eminent and independent persons for pruning and preparing a shortlist. Representatives of the Foundation visit most of the shortlisted entities and a final shortlist is submitted before the Selection Jury headed, at present, by former Chief Justice of India, Sri M N Venkatachalaiah. The other members of the jury are

1. Sri S. Gurumurthy, writer & journalist
2. Prof. B.M. Hegde, Chairman, Bharatiya Vidya Bhavan Mangalore Kendra, Mangalore
3. Sri T.S. Krishnamurthy, former Chief Election Commissioner of India

4. Sri D.R. Mehta, Ex-Chairman, Securities and Exchange Board of India
5. Sri. Prabat Kumar, IAS (Retd), Cabinet Secretary
6. Poojya Acharya Sri. Chandanaji Maharaj, an eminent sanyasini and a social reformer.
7. Justice Sri. G.S. Singhvi, Former Judge of the Supreme Court
8. Prof. M.S. Swaminathan, Chairman Emeritus, M. S. Swaminathan Research Foundation, Chennai

The awards are given away by nationally eminent persons at a function organized generally at Chennai.

During the current year 224 nominations have been received for the 18th Mahaveer Awards. The selection for the 18th Mahaveer Awards was made at Bangaluru by the Selection Jury on the 8th of June 2015 and are being distributed today by Hon'ble Minister.

I am glad to say that the cash component of the awards are exempted from Income Tax Act in the hands of the Awardees and thus enabling them to utilize fully for making their service deepen in extent and content.

Let me take this opportunity to place on record our grateful thanks and appreciations for the arduous task undertaken by the members of the Selection Jury. Notwithstanding, their other commitments they have invested adequate time and attention in finalizing the awards. The fact that these awards have achieved total credibility over the years shows the complete objectivity of the process involved in finalizing the awards.

We are also grateful to the sponsors who have taken the trouble of sponsoring these nominations in the light of their field experience of the service rendered by the NGOs.

We are taking steps to ensure that the Foundation's efforts in this regard are spread out more extensively over the other areas of the country from whom lesser number of nominations have been received over the years. These efforts include the utilization of the social media for facilitating more and more people becoming aware of the availability of the awards and the need to sponsor more deserving agencies for these awards. Hopefully, we will be getting a larger number of nominations in the coming years.

I am also happy about the excellent support provided by the other Trustees of the Foundation, particularly, my father Sri N. Sugalchand Jain who has made available his broad shoulders to all of us in time and need for sustenance and support. I would also like to commend other members of my family, specially the ladies and the younger generation for their unstinted support and co-operation in the Foundation's charitable activities.

Let me also not forget the excellent work done by the Foundation's officials for their efforts in the evaluation process.

Of course, the Foundation's work would be valueless in the absence of the quality work done by the nominees in the field making the task of evaluation nail biting.

Once again, let me offer our heartfelt welcome to Sri Gehlot for his presence here notwithstanding his official and political commitments.

Let me also welcome all of you once again,
Thank you,
